

**Season 2: From The Promise to a Great Nation**  
**Episode 11: The Great Nation**  
**1 Kings 1-10**

David succeeded as king where Saul failed. David was “a man after God’s own heart”—humble, trusting, obedient, and repentant. David got it. Israel thrived under King David—victorious in battle, righteous in his judgments. In response to David’s faithful heart, God expanded *The Promise* by designating David’s an eternal throne from which the future King of kings will come. Do we have a great nation yet? We’re almost there.
