

Season 2: From The Promise to a Great Nation
Episode 12: Season 2 Finale: That's Life
Psalms, Proverbs, Job, Ecclesiastes, The Song of Solomon

What good is a great nation, if it's not also a godly nation? Israel's greatness—promised by God to Abraham—was not ultimately in its wealth, but in its wisdom. Wisdom is godliness—the practical and consistent application of God's Word to life. Peace and prosperity during the reigns of David and Solomon gave God's people the opportunity to grow their faith.

Israel had The Promise and The Law. Now they needed to live out God's Word individually and nationally. For this, God gave the Wisdom Books—five stunningly insightful, relevant and wise guides to godly living. It's not enough to Believe The Promise and Obey The Law. To live a godly life, God calls us to Apply Wisdom.
