HELLO

my name is

George May

&

HELLO

my name is

Dale Weaver

Ground Rules

- Please save all questions until the end.
- You are going to get lost if you try to read the handout. Stick with the us & the conversation. We wrote down as much as we could ahead of time for you to later reference.
- If we use any unfamiliar technical terminology, please raise your hand & ask for an explanation. Sincerely. We are in this together and your question is probably echoed by others.

Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.

-Romans 12:2

Context for our time today

- **The target is the heart**, that our kids will love God and others well. Only heart change will keep our kids committed to purity when we are not around.
- **Ongoing conversations are key.**
- These are guidelines and recommendations for parents to consider as they make their choices for their own family.

We are **training** our children
on how to **engage** with Culture
